Dear [Redacted]

STAT

Thank you for your recent address to the National Senior Cryptologic Course. Your explanation of the planning and programming responsibilities of the DCI as well as other aspects of the DCI's community role was valuable and enjoyable. The continuing success of the National Senior Cryptologic Course is in large measure due to individuals as yourself who willingly share their expertise with our students.

Again, thank you for your assistance. We look forward to seeing you in the future.

Sincerely,

STAT
